Registration of Enduring Power of Attorney

Would you like us to register your Enduring Power of Attorney with Landgate (the Department of Land Administration)? *The registration fee is \$105 to lodge your EPA with DOLA.* YES NO

The main benefit of registering your EPA is that, if necessary, your attorney(s) can deal with your real property quickly and efficiently. If you do not register your EPA and your attorneys need to deal with your real property, and if it is more than 3 months after the date of signing your EPA, your attorney(s) will have to lodge a statutory declaration in order to register the EPA with DOLA. This will involve further expense and delay.
